Dead Island 2 – Play Date

Mark your calendars for our next Community Play Date on April 5th: Dead Island 2. Hope you’re ready to take on a zombie-infested paradise with your friends!

For everyone looking forward to having some fun and meet other Ambassadors, join the Xbox Ambassadors Discord, where we’ll host our Play Date □□

To prepare: Make sure to install Dead Island 2 on your console and check for updates so you’re ready for the event! Additionally, to play co-op mode, you must play the tutorial, which will take you approximately 30-45 minutes. Soon after, co-op will unlock towards the beginning of the fourth mission, “Call the Cavalry.”

A pop-up will appear telling you that co-op is now available, and Ambassadors can invite people to play. Alternatively, those who have passed the tutorial can open the menu and go down to Social. There, you'll see friends who are online and can invite them to play or join your session.

Important Note: *Dead Island 2 is rated for players aged 18 and above due to its intense violence and mature themes. Viewer discretion is advised.*
